19KU A BRIGHTER DAY - BRANDY HOUSE Claims October 2024 submitted as of 12/19/2024

Overview : The data in this spreadsheet is extracted from DMH's Integrated Behavioral Health Information System (IBHIS), the Department's electronic health record which is used, among other functions, to process and adjudicate claims from and payments to its contracted providers. After initial payment to the provider, DMH uses IBHIS to transmit those contractors' claims to Medi-Cal for reimbursement where applicable. The data contains services billed to DMH by its contracted provider network and represents costs that have been approved and paid by DMH.

19KU A BRIGHTER DAY - BRANDY HOUSE Claims October 2024 submitted as of 12/19/2024

Overview : The data in this spreadsheet is extracted from DMH's Integrated Behavioral Health Information System (IBHIS), the Department's electronic health record which is used, among other functions, to process and adjudicate claims from and payments to its contracted providers. After initial payment to the provider, DMH uses IBHIS to transmit those contractors' claims to Medi-Cal for reimbursement where applicable. The data contains services billed to DMH by its contracted provider network and represents costs that have been approved and paid by DMH.
